### Doings of the Council.

At the meeting of the council last night an application was up before the council to have another policeman appointed in the city, but when the matter came to a vote the council was tied about the proposition and the mayor decided the matter by voting against it.

An ordinance was passed, which prohibits any palmer or clairvoyant from plying their profession in the city.

Another ordinance revising the water rates in the city was also passed, which will put the rates on a more equitable basis than they have been heretofore.

An ordinance was also passed establishing a board of park commissioners, so that the park business can hereafter be attended to in a legal manner. The mayor made some recommendations for members of the board, but these were not confirmed by the council.

The mayor and city engineer were authorized to buy a ten ton steam roller which will be used on street improvement about the city.

Rev. Wm. Reding and T. E. Mullen leave today for Milwaukee where they will take a special train for Washington, D. C., in which they will be on Saturday, the 8th, to attend the unveiling of the Columbus monument. It is expected that this will be one of the biggest days that Washington has ever seen, as something like 60,000 Knights of Columbus alone will be there. Father Reding goes as a delegate from the local lodge.

### BASEBALL SEASON OPENS ON SUNDAY

The baseball season opens in this city next Sunday afternoon, when the Bismarcks of Green Bay will be here to try conclusions with the locals. W. W. Kelly will manage the local team again this year, and there is consequently no reason why we should not have a winning team. The lineup of the team cannot be given at this time, but Nelson will pitch, and there will be some more of the old players with us. It is to be hoped that the people will turn out in good shape next Sunday and give the boys a benefit as it will not only encourage the players, but also the management. It is the intention to have a good team this year, but it cannot be supported on wind, and the public should govern themselves accordingly.

### Dangers of Spitting.

"Ninety-five per cent of our consumption," says the North Carolina State Board of Health, "comes from careless spitting, coughing and sneezing," particularly on the part of the consumptive, but also from people who are apparently healthy. "Spit is frequently laden with deadly disease germs, particularly that of consumption."

"When one coughs, spits, or sneezes, a great multitude of tiny droplets of spit are violently expelled from the mouth and nose. This largest of these droplets can be readily seen. A large number of smaller droplets are found if a mirror or piece of glass is held before the face when coughing or sneezing. A tremendous quantity of still smaller droplets are discharged in the form of an invisible spray or mist, which floats about in the air for some time. Scientists have found that when a man coughs, spits, or sneezes in a large hall or room where the air is quiet, these tiny invisible germs laden droplets will float in the air for a distance of 25 to 100 feet. These tiny droplets, in the form of mist or spray, may be breathed in by other people, or they may settle on objects with which they come into intimate contact, such as food and clothing. Viewed in this light, such contact is at least impolite. Furthermore, it is dangerous to the public at large to have careless people actually coughing, sneezing and spitting germ laden matter into their faces even if it is invisible and in the form of a mist."

T. A. Taylor resigned as a member of the school board at the meeting held on Monday evening, same to take effect at once. Mr. Taylor has served more than fifteen years on the board, and has always been one of its most active and energetic members.

### Stock Fair Tuesday.

—Next Tuesday, June 11th, is the date of the regular monthly stock fair in this city, and farmers and others interested in the matter are notified to make a note of the date. The fair will be held on the west side of the city, between 25th and 30th common streets.

Several new milch cows are wanted. Bring in your second hand furniture, as you can probably dispose of it.

Remember that the Reiland Packing Company buy all of the good stock you bring in.

A rubber tired phaeton with full leather top that cost \$125 will be sold cheap.

The Brewing Company will give an 8th of beer to the farmer bringing in the largest number of empty kegs. There will also be a lot of second hand furniture for sale.

Johnson & Hill Company will give a 50 pound sack of flour to the man that brings in the best milk cow that is sold.

John Bell will give \$1.00 for the best half bushel of Early Rose potatoes to be delivered at Johnson & Hill's store.

John Bell, Auctioneer and Manager.

### Death of Martin Hintz.

Martin Hintz, an old resident of this section, died at his home on the east side on Monday morning, death being caused by a general dissolution due to old age.

Decensed was born in Germany on Nov. 19, 1837, and was consequently in his 75th year. Mr. Hintz was married to Miss Anna Duzewska when 21 years of age, and from this union there were three children, Adam Hintz and Mrs. Paulina Bonkowski of Milwaukee and John Hintz of Grand Rapids.

His second marriage occurred when 30 years old to Miss Agatha Sadowski, and there are six children by his second wife, they being Joseph Hintz of Milwaukee, Mrs. J. J. Raymon of Rudolph, Mrs. O. J. Crofton, Martha, Agnes and Antoinette Hintz of this city.

The funeral occurs on Thursday morning at 9 o'clock at St. Peter and Paul Catholic church, Rev. Father Quinn to conduct the services, interment in Calvary cemetery.

### Jacob Reuter May Come.

George W. Paulus recently received a communication from Jacob Reuter stating that he would like to come here and give a concert before he leaves the country on his foreign tour, and it is probable that arrangements will be made for him to come here.

Mr. Reuter is well known to a number of our citizens, having played here on numerous occasions several years ago, and needs no praise from us in order to put him in the proper light before the public. As a violinist he has few equals, and is considered by the good musicians of the country to be one of the best. There is no doubt but what our citizens would give him a warm reception in case he decided to come here.

### Scholars Give Good Play.

The high school play, "What Happened to Jones" was the best thing ever produced by an aggregation of amateurs, and there is no question but what the large audience enjoyed every minute of it from start to finish. Herbert Roach took the part of Jones, and he was certainly good, while Ruth Horton as the Scandinavian maid was a laugh provoker whenever she appeared on the stage. The other members of the cast were also good, and the consequence was that it made a first class entertainment.

### Settled for \$3250.

Louis Schenck, who was suing the Soo company for injuries sustained by his son Robert, has settled with the company for the sum of \$3250.00.

The boy was working for the company on the section and fell from a handcar and had his skull fractured and sustained other injuries which incapacitated him for some time.

The case had been carried to the supreme court, when the company offered to settle, and also the sum asked for was greater than the final settlement. Mr. Schenck accepted it. The plaintiff's side of the case was handled by Attorney D. D. Conway.

### Subscribing Liberally.

The Fourth of July committee reports that they have secured subscriptions of more than \$1,000 for a celebration and the indications are that there will be sufficient money for a first class celebration. A few of the merchants in the city have refused to give anything, but they are in a hopeless minority and do not amount to much from a business standpoint. It will probably be possible later to publish a list of those who donated and the amount they subscribed.

### Will be a Musical Treat.

Mrs. Charlotte Lynn-Campbell is rehearsing some of the local talent, assisted by a number of these from out of town and expects, sometime, about the middle of June, to give a concert that will be one of the ordinary. She will produce Gounod's Gallia, and expects to use about 65 voices, and under her training they should be able to produce something better than usual. Additional particulars will be given later.

It is reported that Barnum & Bailey's big circus is booked for Grand Rapids some time in July.

FOR RENT—7 room house on 11th Street North. Inquire of Mr. Robert Steinkamp.

Emil Seidel, ex-Socialist mayor of Milwaukee, will speak at Stevens Point on June 21st. A number from here expect to attend.

—WANTED—Girl for general housework. L. M. Mathis, Baker and 8th Streets.

### COMMENCEMENT AT WOOD COUNTY NORMAL

Next week will be commencement week at the Wood County Normal. Both programs to which the public are invited will be held at the Lincoln High School Building. A class of thirty-seven will graduate. The graduating class alone of this school is larger than the entire attendance at some of the training schools of Wisconsin. Our school is now the largest in the state.

On Wednesday evening, June 12, the Class Day exercises will be held and on Thursday evening, June 13, will occur the annual graduation exercises when the large class will receive their diplomas. President P. A. Cotton of LaCrosse Normal School will deliver the commencement address Thursday evening.

On Friday evening June 14, the Alumni of the school will hold their annual reunion and reception at the Training School Building.

### Veterans Return Thanks.

Wood County Post No. 22, G. A. R., desires to thank the good people of Grand Rapids generally for the interest which was taken and manifested in the observance of Memorial Day, May 30th, 1912.

We desire especially to thank those who furnished autos to convey the City Band, Woman's Relief Corps, and Veterans to and from the cemetery. These three organizations comprise about 100 people. The following is a list of those who furnished autos: J. B. Arpin, D. J. Arpin, (2 cars), E. P. Arpin, W. J. Conway, L. A. DeGaere, Geo. W. Davis, E. W. Ellis, B. G. Egger, A. P. Hazy, U. A. Henschel, Clarence Hayward, Amos Hushon, Johnson & Hill Co., C. P. Kellogg, Edward Lynch, T. E. Mullen, L. M. Nash, T. P. Peerenboom, E. N. Panninierville, Louis Reichel, Geo. W. Mead and Otto Roenius.

We also desire especially to thank the leader, Prof. Merrill, and the members of the City Band who gave their time and talent without compensation and rendered most excellent and appropriate music for the occasion. Also Hm. Thoen, W. Branson for his kindly and interesting oration; and the Mayor and Common Council for their generous donation of \$75.00, of which amount we have found it necessary to draw only \$23.60; the balance remaining in the City Treasury.

A more nearly perfect day could not have been. The attendance was large, the interest general and the exercises formal.

We sincerely hope and believe that the signal success of this year's observance of Memorial Day is but an evidence of the growing favor in which the public generally regard this beautiful custom of setting apart and appropriately observing one day annually, as a Memorial to and in remembrance of the dead.

J. W. Oschman,  
Post Comdr.

### Turn to the Right.

Here is some advice for auto drivers from the Indianapolis Iron Ore: You fellows driving automobiles, motorcycles, bicycles, carriages and wagons. Keep on your side of the road the right side. Don't turn corners sharply on the left, hind side of the street. That's where the man belongs who is in his proper place and it is not your side of the road. Drive slowly through town and don't be cutting out your mufflers. Take the hills on the second gear, not on the high, while driving through the city. Go slowly around sharp curves and go slowly down hills at the bottom of which are abrupt turns. Don't let the corner get a job inspecting any portion of your head. It's a bad business. There's no sense in dashing through town at thirty miles an hour. It's distinctly against the law and the law should be enforced.

Neither is there any sense or decency in dashing past slower vehicles on the road at a forty mile clip and covering the occupants of other vehicles with dust and dirt. Just have a little consideration for the other fellow. It will be altogether better for the travelers and will save much wear and tear of the roads.

### Death of Mrs. Chas. Christian.

Mrs. Chas. Christian died at her home near Nekosco on Monday evening from paralysis, having had her first stroke two weeks ago and another on Monday. Mrs. Christian was formerly Alice Wakley and was born Jan. 6th, 1849, near Nekosco where she has lived all her life. Mrs. Christian is survived by her husband and several grown up children. The funeral will be held from the M. R. church in this city on Thursday afternoon at 2 o'clock and the remains will be interred in Forest Hill cemetery beside those of her parents.

### Drowned at Port Edwards.

Joseph Arndt of Port Edwards was drowned on Sunday morning in the mill pond above the mill at Port Edwards. Mr. Arndt was fishing and in walking along the boom, fell off into the water where it was quite deep, and by the time help arrived he had sunk and could not be assisted.

The body was recovered about an hour later. Mr. Arndt is survived by a wife, but had no children. He was 22 years of age.

### BIRTHS

A son to Mr. and Mrs. August Holke, May 21st.  
A son to Mr. and Mrs. Will Harroun at Biron June 2nd.  
For County Treasurer  
I hereby announce myself as a candidate for the office of County Treasurer on the democratic ticket at the September 10th election.  
JOHN C. PHELPS  
Grand Rapids, Wis.

### New Minister Installed.

Rev. R. Pautz, the new minister in charge of the east side Lutheran church arrived in the city on Wednesday and that evening a reception was held at the schoolhouse, at which he was enabled to meet a large number of his congregation. The address of welcome was made that evening by the Rev. Wm. Nommensen, pastor of the west side Lutheran church, and was responded to by Mr. Pautz. There were also addresses by Rev. Krueger of Kellner, Rev. Gieselman of the town of Sigel, J. D. Karnitz, Wm. Schroedel, Aug. Ladwig and Wm. Glewe.

On Sunday evening the regular installation services were held, on which occasion the church was crowded to its utmost. The service was conducted by Rev. Wm. Nommensen of this city, assisted by Rev. J. Schriespieck of Morrill, Rev. Krueger of Kellner, and Rev. Gieselman of Sigel.

The new pastor comes to this city highly recommended, his last charge being at Sherry, where he was well liked and proved eminently successful in his work.

### Commencement Exercises.

The Lincoln high school and forum was crowded with interested spectators on Friday evening, on which occasion the graduation exercises of the class of 1912 were given. A very nice program had been prepared for the occasion, and it was carried out in due shape, and everything seemed to be greatly pleased with the work of the young people. Following is the program:

Music, Selected—High School Orchestra.

Salutatory—Gertude Rohland.

Solo, Selected—Miss Ruby Naylor.

Reading, "Being of the White Swan"—Ruth Caroline Richter.

Chorinet Solo, Selected—Frank Drumb.

Oration, "Ideals and Ideals," Loeb—Ignatius A. Mroz.

Violin Solo, Selected—Helen Annis Taylor.

Valedictory, "Our Motte"—Margaret Nollman.

Written Solo of Nid Nod—"Girls' Glee Club."

Presentation of Diplomas.

### Soldiers May Come.

The members of the Marshfield military company have expressed a willingness to come to this city on the Fourth of July and give an exhibition drill, provided the committee will pay their expenses down here.

The members of the automobile club may also run down here on that day, so that altogether there may be quite a delegation down from the town up the line. As there is to be no celebration at Marshfield this year, there is no reason why we should not get a good crowd from all over the country.

At the meeting of the Fourth of July committee on Monday evening the local band was engaged to furnish music for the occasion, and the committee is negotiating with attractions for the day so that there will be a good celebration, with amusement for all.

### Preparing to Raise Dam.

The Consolidated company is making preparations to raise the dam at Biron about six feet, for the purpose of giving them a better head of water at that point.

With this object in view they have been buying up the water rights of the residents above Biron so that the raising of the water will not damage the property of people living above the dam.

The raising of the dam at that point will increase their power very materially, altho it will necessitate the expenditure of a considerable sum of money, owing to the flatness of the country in that neighborhood.

### Boys Shooting Birds.

A resident who lives just outside the city limits reports that many boys visit his neighborhood with small calibre rifles and put in their time shooting birds, with the result that many songsters are killed.

He says he does not want to have boys arrested without giving them a chance to stop the pernicious practice, but that he will have them put behind the bars unless they quit it at once.

Boys all know that it is against the law to shoot song birds of any kind, and if they break the law they must expect to suffer the consequences. Maybe a word to the wise will be sufficient.

The schools at Necedah were closed on Friday for the season, owing to the fact that several cases of scarlet fever developed there during the past week. As most of the afflicted ones were taken sick while attending school, it was considered best to close down for the present.

Auto drivers may run their machines at the rate of 15 miles per hour in villages and 25 miles on country roads instead of the 12 mile rate, as the last legislature changed the limit as above stated. But the law also provides that nobody shall drive recklessly under any circumstances.

Sellers of berries who use boxes containing less than a full pint or quart must stamp the capacity on the outside of the boxes, in figures and letters not less than one half inch high. This ruling is right and should be enforced. It does not make so much difference what the capacity of the box is, if the buyer is not made to believe that it is greater.

Mrs. A. Scheller left on Monday for Portage where she will visit her daughter, Mrs. E. J. Blass, and she expects to leave on Tuesday for Salt Lake City to visit her other daughter, Mrs. Lawrence Fox. Mr. Phillips is the county clerk of Juneau county and Mr. Temple the editor of the Mauston Chronicle and they were here to look over our court house with a view to getting some ideas, it being the intention to remodel the court house in Juneau county. The Tribune acknowledges a pleasant call from Mr. Temple.

In the near future two army officers from Washington will be sent to travel about two weeks with Ringling Bros' circus. They will study the methods by which a circus moves so smoothly and rapidly. It has been estimated that taking into consideration the total number of people with the circus, nearly 1,800, and the fact that it carries about 1,000 animals and 650 horses, besides all the necessities of a moving village, the machinery of the thing must be worth observation. No army detachment in action has ever pitched camp and moved each day with such rapidity.

Mrs. E. C. Rosmer visited in Oshkosh on Friday.

Miss Christina Hage spent Sunday with her parents in Necedah.

Dan Noltner visited in New Lisbon between trains on Monday.

—Real Estate and Fire Insurance. Good farms for sale. Have a nice office or flat to rent. Inquire of E. N. Pomanville.—St.

Friday, June 14th has been designated as Flag Day by Governor McGovern, that being the 185th anniversary of the adoption of the stars and stripes as our national emblem. He recommends that the flag be displayed on all public buildings on that day.

George W. Davis has announced himself as a candidate for the office of county clerk on the republican ticket at the coming primaries this fall. Mr. Davis has held the office before and has proved himself a faithful and efficient officer and there is little doubt but what he will be favored with the nomination by his party.

F. J. Dockert of Marshfield has announced himself as a candidate for the office of register of deeds on the democratic ticket at the coming primary election. Mr. Dockert has been a resident of Wood County for more than thirty years, with the exception of seven years spent at Eagle River and is well fitted for the office.

L. M. Mathis, who is operating a farm on the Beuna Vista marsh between this city and Bancroft, spent the fore part of the week in the city visiting his family and looking after some business matters.

Mr. Mathis reports that while they have had rather more rain than they wanted on his way, it has not caused them any trouble, the ditches taking care of the water in good shape, and the consequence is that everything is looking nice out there.

The Lutheran school on the west side closed on Friday after a very successful year's work, and the teacher, Miss Ella Horn, left for her home in Brill on Saturday. There have been seventy pupils enrolled in this school during the past year and it is the intention to have two teachers the coming year. Rev. Nommensen having had charge of a portion of the school during the past year. The addition of another teacher will relieve him from this work the coming year.

—FOR SALE—Two cyl. Thor motorcycle, good as new, \$135.00. Also Bicycles, Talking Machines and repairing. Geo. F. Krieger & Co.

Attorney F. S. Woodworth of Pitts ville was in the city on Saturday looking after some business matters.

Rev. M. B. Milne was confined to his home the fore part of the week by sickness, but is able to be about again.

Mrs. Albert Konieczka of the town of Sigel was a pleasant caller at this office on Tuesday while in the city shopping.

Mrs. A. Bormick returned to Oshkosh on Tuesday where she will be under the care of Dr. Oviatt for several weeks.

Frank Trade of the town of Seneca has completed an addition to his house 16x21. Martin Solin did the carpenter work.

W. F. Noltner, who has been employed at the Reiland Packing plant for several years resigned his position last week.

Mr. and Mrs. Frank Jeffrey of Canby, Minn., arrived in the city for a week's visit at the Dr. A. L. Ridgman home.

Mrs. Michael Slattery and children of Wausau are visiting at the home of her mother Mrs. John Collier, who has been seriously ill the past week.

The Baptist congregation at Monte video, Minn. has extended a call to Rev. M. B. Milne of this city. The church is one of the best in the state but Mr. Milne has not accepted as yet as he expects to spend the summer in this city.

Peter Bohmsoch of Seneca Corners was a pleasant caller at the Tribune office on Tuesday. He reports that they had a baseball game at his place last Sunday between the teams from Hansen and Sigel, which resulted in a victory for the Hansen boys by a score of 17 to 8. Next Sunday a team from Grand Rapids will be out there to play with the Hansen boys and a lively game is looked for.

The Auto Sales Company of Stevens Point made a very creditable display in the city last Friday in the Jensen garage, having here a Cadillac, Rambler, Buick, E. M. F. and Overland. They are all good dependable cars and quite well known in this city as there are a number of such makes here. However, they were viewed by a large number of people and excited many favorable comments.

Memorial day was properly observed in this city last Thursday, all of the business places in town being closed until after noon. A large delegation went to the cemetery to witness the ceremonies by the members of the Grand Army of the Republic the old soldiers members of the band and many of the citizens being taken up in autos that were furnished by the people about town. The day was a perfect one and every thing passed off very nicely.

**Peltier-Miller.**

Edmund Peltier of this city and Miss Clara Miller of Stevens Point were married in this city last Wednesday at the Catholic church, Rev. Wm. Redding officiating. They were accompanied by Raymond Peltier and Miss Beesie Bakus as bridesmaids and bridesmaid.

They left the same day on a short wedding tour and have gone to house keeping in this city. The Tribune wishes with their friends in extending congratulations.

**FACTS ABOUT GOOD PLUMBING**

can be summed up in "good materials and expert workmanship," thus insuring sanitary conditions and long-life for the work. Call a halt on the plumber who adds scoops to these common-sense conditions. The house owner who tries to avoid either of these requisites may look for a freshet on his parlor carpet at mid-night, and chaos in his kitchen boiler on a Sunday morning. Be wise. Insist on plumbing such as we build and your dollars are saved.

## AUTO CLUB TO ASSIST IN ROAD BUILDING

Marshfield Herald.—Good for the members of the Marshfield Auto Club. They have got the right spirit and what they propose doing will result in much good to travel.

Monday President W. H. Kaups had a conference with the board of public works and on behalf of the club offered what money there was in the club's treasury to the city to put in a two thirds amount the money to be used on North Central Avenue between the Northwestern track and the county line the club to have supervision of the improvement.

It is understood the offer has been accepted and that work will be commenced at once. The road will be graded and when to a proper height will be covered with twelve inches of decomposed granite, a bed of which is now being negotiated for by the city. Ever since the organization of the club they have helped liberally by a turn out of its members in keeping the roads in this near vicinity in as good shape as possible and now that they are willing to go down into the treasury for the betterment of one of the worst pieces of road in the city limits, their spirit is most commendable. Two other pieces of road to receive the immediate attention of the board of public works is the one leading west on Bakerville street and east on fourth street.

Mr. and Mrs. Emil Lambert who were called here last week to attend the funeral of Mr. Lambert's father returned to their home at Rushford, Minn., on Monday.

**Age's Handicap.**

A gentleman who married recently at the age of seventy-three years says old age is merely a state of mind, and intimates that one may remain young if one will refrain from having old ideas. The great trouble is that it is almost impossible for an old gentleman who insists on having young thoughts to get other people to decline to refer to him as "an old fool."

# The Brush Runabout \$450

F. O. B. Detroit, (Fully Equipped)

### We want every horse owner in this community to see this car without fail

We want an opportunity to prove to you that the Brush car is a better means of transportation for you than the horse—quicker, more dependable and above all, more economical.

A Brush Runabout will take you as fast as 30 miles an hour and it costs only one cent a mile to operate.

One Brush owner covers 27 miles a day at a weekly expense of \$1.50. A horse cost him \$5.00 a week for the same work. We can tell you of countless similar incidents.

Better than that, however, let us show you what the Brush will do in your case. Let us give you a ride in it to day, apply it to your needs. Find out what it will do for you. Will you come here to see it, or shall we bring a Brush to your place?
